Nashville Music City Unit News

WBCCI - Nashville Music City Unit 158

FROM THE PRESIDENT

I hope you are enjoying a summer filled with camping adventures and air conditioning. Mother Nature provided more cold air than the 24 of us wanted at the May rally in Dale Hollow. With temperatures in the 40's, it felt very natural to play Dirty Santa on Friday night and enjoy some good fellowship around the campfire. On Saturday afternoon, Cynthia Halpin gave the ladies a crafting lesson in wiring sea glass while the men spent time trouble shooting trailer problems and discussing possible activities for next year. Saturday night's Dutch oven cookout was a real treat thanks to the talented cooks in our unit, and several members showed us the "treasures" they purchased at the Hwy 52 yard sale between Celina and Portland. Thanks again to Jeanie and Charlie Tillman for filling in as hosts for Jim and Jenice Johnson. It was their first time to host a rally, but with all the fun we had I hope it won't be the last.

Nashville Music City had five people in three rigs attending the WBCCI International Rally in Gillette, Wyoming, June 28-July 4 (Bill & Susan Martin, Mike Maurer, and Jim & Sarah Lee). Recording Secretary Susan Martin represented our unit at the Delegates Meeting and will give us a rally update soon.

On August 16, David and Linda Joiner will host a unit luncheon at The Catfish House in Springfield, TN. Contact them at 931-552-3814 or djmuffinlj@charter.net if you plan to attend. The Election Rally will be held September 11-13 at Beech Place Farm in Owensboro, KY, hosted by Gene and Linda Gough. This is Ms. Ruth's family farm (Gene's mother). We will have limited sites, water, and electricity but *unlimited* fun! Please contact Gene and Linda at 615-646-4372 or eegough@bellsouth.net to secure a spot. On Saturday we will have a unit business meeting including election of officers for 2015. (In early August you will receive an email with the Nominating Committee's slate of officer candidates.)

The Region 6 Rally will be held on October 15-19 at Johnny's Lakeside RV Resort in Foley, Alabama. I will send out information regarding rally fees and other details as soon as I receive it. You can find campground information and make camping reservations at

See you down the road!

Nashville's Fontanel Mansion

Nashville's "Fontanel Mansion" formerly owned by country music star Barbara Mandrell was selected for the site to make a 30 second spot for ESPN sponsored by Home Depot. The commercial spot was filmed at the outdoor arena with Big and Rick singing the theme song "Coming to your City". The spot will be used for all of the SEC college football games, encouraging everyone to support their teams. **Gerry & Nancy Goffinet and Jim & Sara Lee's** Air-stream trailers were used in the Video, "Coming to your City".
